Walk as He Walked

"He who says he abides in Him ought himself also to walk just as He walked" (1 Jn. 2:6).

God Is Our Refuge and Strength

I knew that I would get tired of hearing about this year's election in the news during 2020, but recently the Democratic primary and related issues have not been mentioned much. The Coronavirus has been the primary topic of conversation for most. As of Friday, the number of cases reported by the CDC (cdc.gov) is 1629 and the number of deaths 41 in the United States. In contrast, the H1N1 pandemic of 2009-2010 was somewhat of a big deal but did not result in near the publicity, cancellations, or criticism; the CDC estimated 60.8 million cases and 12,469 deaths. The 2017-2018 flu season in the US resulted in an estimated 45 million cases, 21 million medical visits, 810,000 hospitalizations, and 61,000 deaths. This is not to trivialize the Coronavirus but to share a comparison which might help us to respond with faith and not fear, as Chuck told Unchained Thursday night. We do need to be careful and as a church we are developing a response to Coronavirus and have been doing some extra cleaning, but we do not need to panic. Always remember from Ps. 46:1 that "God is our refuge and strength, a very present help in trouble."

Youth Pastor Search Team

Thank you for your prayers for the search team as we are looking for a youth pastor. We are optimistic and excited about possibilities.
