New Beginnings

The new church year is about to begin. What will happen during the next twelve months? I guess it depends on what we do. If we keep on doing the same things, probably we will get the same results. If we pursue biblical change, then the results will be different. Having a paradigm shift entails looking at things from a totally different perspective. That is what happens when we are transformed by the renewing of our minds. My hope and prayer for this new church year is that, starting with me, we bring our thoughts, words, actions, and attitudes in line with God's Word on a consistent basic. Through an abiding relationship with Jesus Christ, we will produce fruit and glorify God (Jn. 15:5, 8).

September is a good time to get involved with a Sunday School Life Group or take a Bible Study Elective. It is a good time to start tithing, giving ten percent of what we make back to God. It is a good time to begin a daily quiet time, reading God's Word and praying on a daily basis. By God's grace, let us begin to walk in newness of life, to the glory of God.

Parking Lot Information

Sunday, August 20 during church conference, the church voted to present a parking lot proposal to the congregation. The need to repave the asphalt parking lot is obvious. The proposal will include a request for the congregation to give above their tithes toward the estimated \$200,000 expenses and also a plan to come up with the rest of the money. More proposals from contractors are coming in so we will be presenting this to the church in the near future. Thanks for your prayers.
